President Message

The Maratha Businessmen Forum (MBF), established in 2014, is dedicated to uniting Marathas across India and abroad for the collective upliftment of the community. Registered with both the Government of Maharashtra and the Government of India, MBF promotes business growth, education, and professional development. It offers One-Year, Life, and Patron Memberships, encouraging active participation from Marathas in all walks of life. Patron Members serve as the organization's "Think Tank," guiding its mission and future initiatives. Through **Shivneri's Academy**, MBF provides structured training for **UPSC, MPSC**, and various **professional examinations**, empowering youth to excel. With growing chapters across Maharashtra and beyond, MBF continues to strengthen its role in promoting entrepreneurship and community progress.

We are pleased to inform you that the Maratha Businessmen Forum is organizing the **Maratha Business Conclave 2025**, featuring an **Exhibition, Seminars, Networking Sessions, Business Guidance, and Awards**.

This Conclave will serve as an exclusive platform for Maratha entrepreneurs from across Maharashtra and beyond to showcase their businesses and innovations, connect with fellow professionals, explore new business opportunities, and gain valuable insights from industry experts. The event will also include awards recognizing excellence in entrepreneurship and business leadership.

The Conclave is envisioned as a landmark gathering - a much-needed initiative for the growth and empowerment of our community.
